Chief Store Keeper in May, 1984 was reverted to the post of Store Keeper in May, 1985, violating the instructions already issued by the Chairman, Delhi Transport Corporation in April, 1983 to the effect that the employees once promoted may not be reverted;

(b) whether it is also a fact that while reverting him to the lower post after rendering one year's service the case of 1974 of shortage of 11 dynomos was reopened which it was already decided and closed in 1975 after proving that some false entries were made in the bill later on by someone to harm him; and

(c) if so, the reasons for reopening the past case in 1985 after ten years and reverting him to lower post violating the instructions of Chairman?
